Sir,

Sub:- Establishment - Maternity & Childwelfare - upgrading the post of a Woman Medical Officer to Grade I - sanction Requested.

The post of a II grade Woman Medical Officer has been vacant in this Municipality from 1944 for want of candidates to hold the post. Candidates were not forthcoming inspite of publications of the vacancy in local and outside papers.

There are at present four midwives Centres at four different corners of this town and an additional one is to be opened this month. The Council has also resolved to have two beds at Jeppu Midwives Centre for the present for labour cases.

The Director of Public Health in the inspection notes D.No. 6-M/49 dated 25-1-1949 has suggested the upgrading the Woman Medical Officers' post to Grade I. The Council in their Resolution No. 5 dated 14-5-1949 (copy enclosed) have resolved to upgrade the post of Woman Medical Officer to Grade I and also to provide two beds to start with at Jeppu Midwives Centre for labour cases. I request sanction may kindly be accorded for the upgrading of the Woman Medical Officers' post to Grade I and for providing two beds at Jeppu Midwives Centre.
